To: STEWART, MICHAEL P. (JSC-AH13) (NASA)

Subject: NEO

Oh my goodness, was I glad to see this email! I started at KSC a year ago last August and before that was a co-op at MSFC. I found my transition here to be difficult and disorganized. I eventually created a new-hire packet with important phone numbers, websites and lessons learned from my difficult start. I applaud your effort and am volunteering to assist you in any way!!

Thank you!
Cassie Blum
